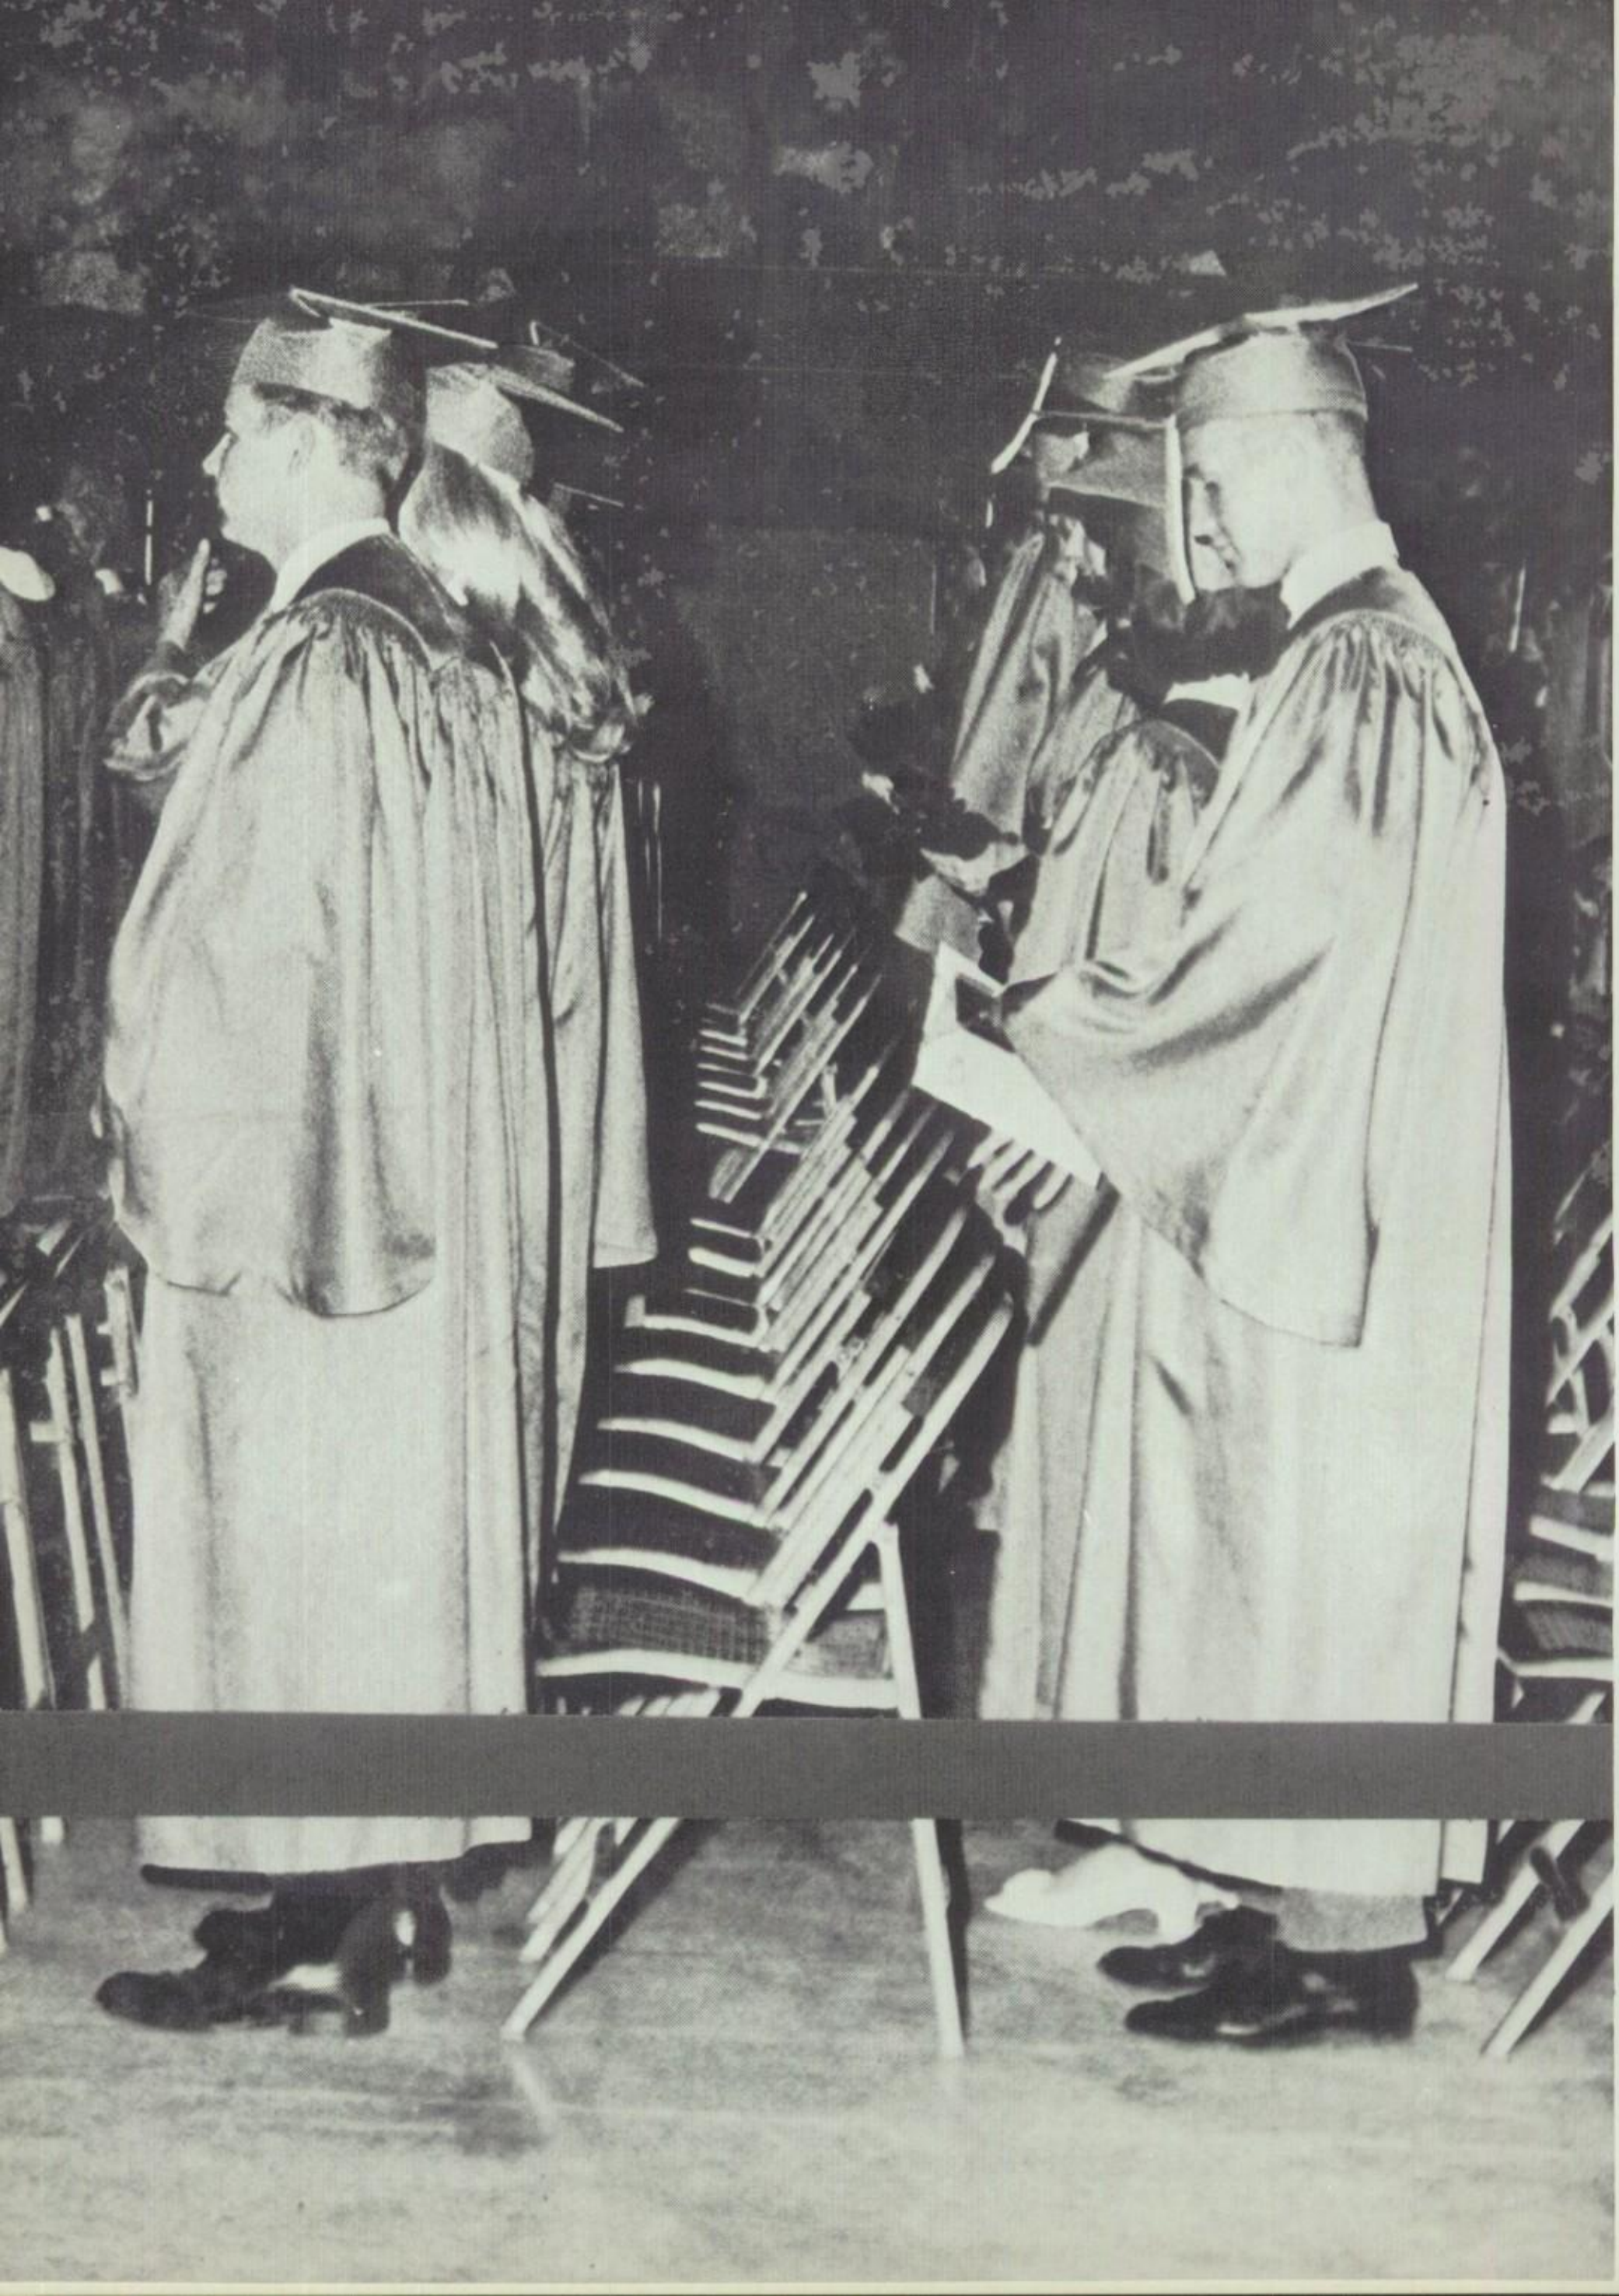
Walking the halls...eating ice cream... "Oh, Urbandale High, we love you best..." ...Feelings, pictures, ideas have left their mark on all who attended Urbandale High School. We have recorded these marks in this annual so that those who follow may know of the impressions of U.H.S.

IMPRESSIONS



SENIORS

Burnt orange and yellow...roses...blue and white tassells...Twelve years have passed and a another class is ready to receive their diplomas. Each year had its memories; and now, they all group into one as the graduates prepare to make an end of the beginning. Preserved in this annual is the end of the beginning of the class of 1967.

SENIORS LOOK AHEAD

Yellow and orange...caps and gowns... PILLOW TALK...The class of 1967 seemed to be guinea pig for scientific research in firsts and lasts. We were the first and only class to attend school in Sears department store. We were the first class to be kept in the junior high for three years. It was our class which first initiated the junior high newspaper and student council. The class of 1967 is the only known class to win first place in Homecoming float competition three consecutive years. Yet we are the last to be educated in the "old type" of school system. Our class is the last to skate to the platform to receive their diplomas.

All of these tests have given the class of 1967 a personality all its own. Mrs. Oliver gives us a title of dumb apathetics. Mr. Marriott gives us a rating of just dumb. A "Grimes High School" personality is accredited to us by Mrs. Redman.

Despite firsts, lasts, and varied personalities the class of 1967 managed to make it through. We've left many impressions and we leave with many.

Affected by the spring weather are officers SITTING: Jack Swanson, President. STANDING: Tom Hansen, Vice-president; Sally Wright, Treasurer; Patti Briggs, Secretary.

TWENTY-FOUR ATTEND URBANDALE
FROM KINDERGARTEN TO COMMENCEMENT

In 1954 the great class of 1967 hit the halls of Urbandale with such a force it was decided to build a gym in honoring their departure. Twenty-four of us were here to stay. During these years many things happened to us which we will never forget. Here are just a few.

Robbie Simmons got beat up because he had better looking tennis shoes than everyone else in first grade.

In second grade all the girls chased Dean Hatch because he was the idol.

Jack Swanson became the spelling bee champ, but he did surprise us all by missing the words, "Blue spray paint" in fourth grade.

John Connelly took advantage of Martha Hunter's broken leg and beat her up during fifth grade recess.

In sixth grade funny girl Carla Rogers tried to be funny by measuring the teacher's shoe length.

Our junior high years are best forgotten. We expressed our resentment at being "detained" in the old building for 9th grade in such "genie" ways as promoting the "Wedin Book Drop."

Don Olmstead was big man in tenth grade because he had his driver's license.

In eleventh grade Alan Jenks picked up the nickname "rabbit".

In senior year we set several important records, "the most colorful homecoming" and the latest yearbook. Who said we were apathetic?

These have been years we'll never forget!!!

GOOD GRIEF!

THE SENIOR SKIT?

Seniors talk to Santa Claus...

Steve Winfrey: "Listen Fat Daddy I wanna' machine gun!"

Becky Fletcher charms Santa Claus while Pat Nelson steals his presents.

Marta Berrier: ' Why don't you come up and see me some time?"

Snoopy (Jeri McCray) and Linus (Ron Shaw) cower as Lucy (Jinnie Goode) directs the children's Christmas pageant.

Rev up your motors here come the Senior Hell's Angels.

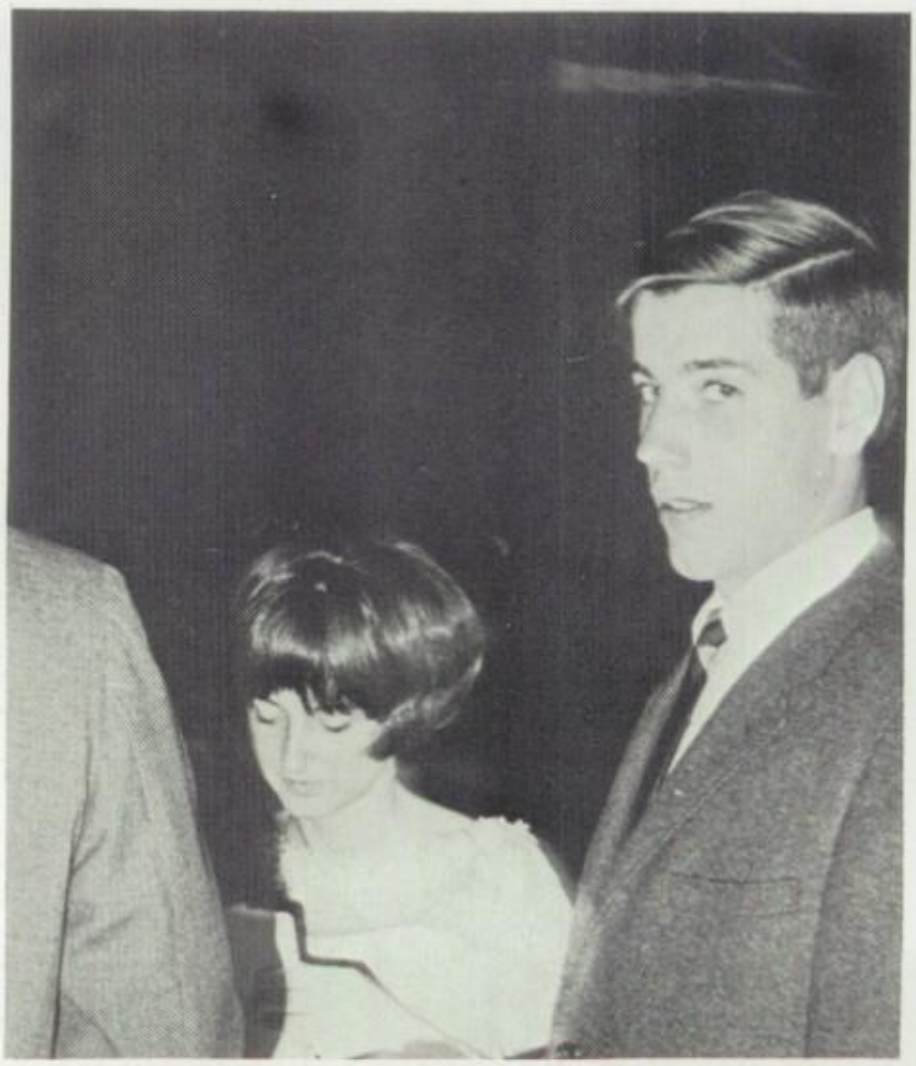
SOLEMNITY IMPRESSES SENIORS AT BACCALAUREATE

Bowed heads...inspiring address..."Onward Ye Peoples"...The solemnity of Baccalaureate convinced one-hundred and eight seniors that graduation was really happening. The chorus urged all to strive for the good with "Onward Ye Peoples." Rev. D. B. Manworren gave the sermon. The thoughts of the occasion remained with the seniors even after the solemnity was broken.

The seniors are led by junior escorts, Kathy Cole and Garry Grahm.

Graduates proceed into the gymnasium.



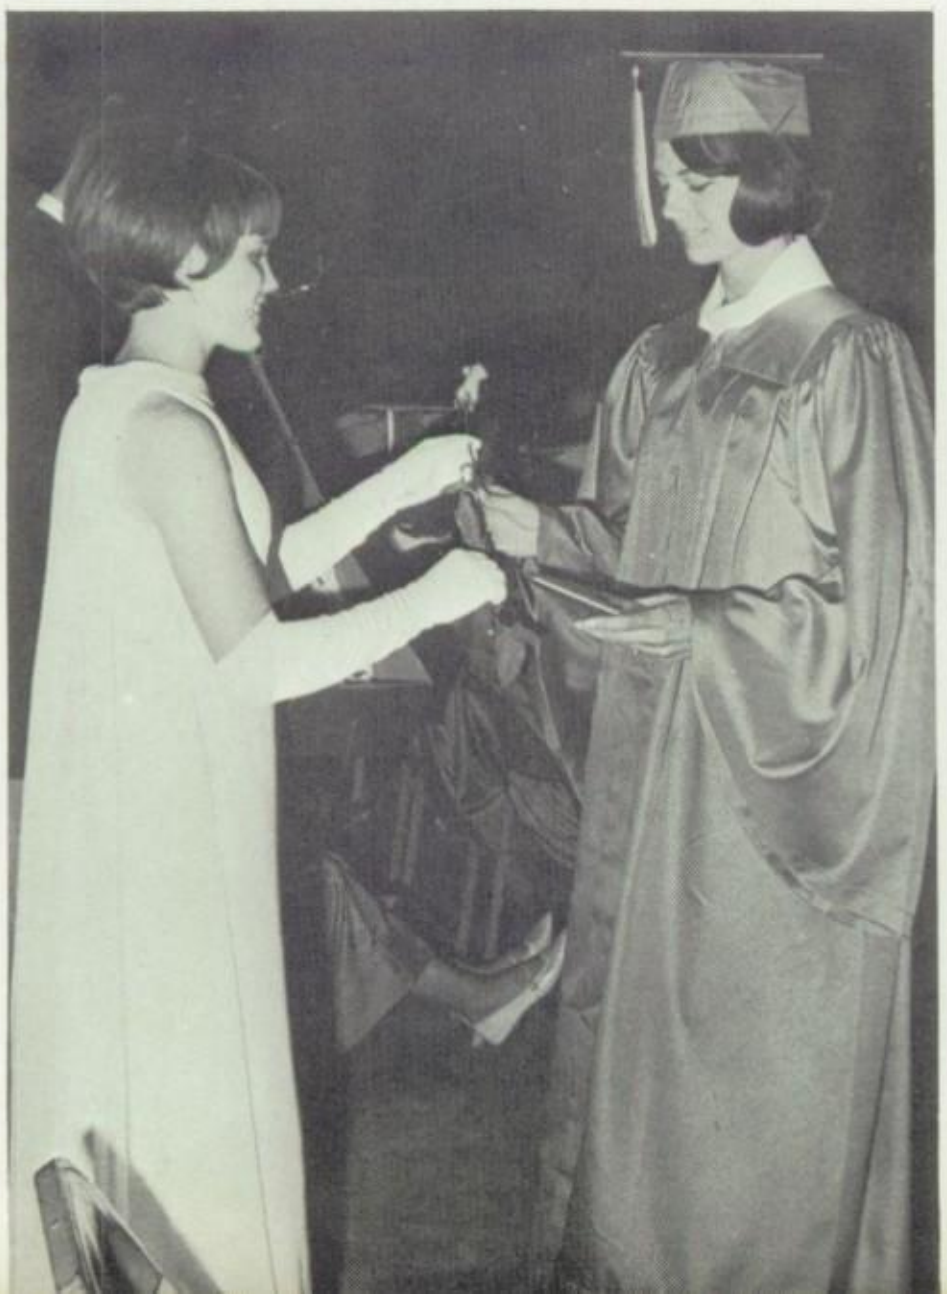
Mary Ellen Robinson and Danny Christensen were two of the sixteen junior ushers chosen by the senior class.

Seniors sing "Halls of Ivy."

GRADUATION ACTIVITIES CLOSE WITH COMMENCEMENT

"Halls of Ivy"...tassels...rows of blue...Commencement was the crowning act to a month of graduating activities. One-hundred and eight U.H.S. seniors filed into the Ice Arena on May 23, 1967. Awards were presented, "Halls of Ivy" sung, speeches delivered, diplomas awarded, and roses given. The commencement address was offered by Mr. Fred Swinton. The highly commencable speech was based on "A man's living is made out of what he has; he makes his life out of what he does for others." One-hundred and eight seniors filed out of the Ice Arena into the world.

The commencement speaker was Mr. Fred Swinton.



Kathy Cole presents a yellow rose to each senior girls.

Al Carey, president of the school board, congratulates Carolyn Swanson.

ACTIVITIES

Making paper flowers...thinking up slogans...decorating floats...Acting, functioning, working, and moving are all a part of school life. The activities of Y.H.S. 1967 are recorded in the annual for those who follow to know and those who have been to remember.

CELEBRITY BALL CELEBRATES HOMECOMING

Romance, gaiety, chance, and music were all a part of the Homecoming dance entitled "Celebrity Ball." Although they lost the game, the football players were still the celebrities of our ball. The room was decorated in celebrity style with pictures of our celebrities on one wall. The dance finished a week of homecoming activities centered around the theme of Hollywood and movies.

Romance and music always go well together.

Pictures of the celebrities were one of the highlights of the dance.

ERASMUS WITH FRECKLES

Presented by the Junior Class of Urbandale High School

"Too bad. I guess you're both too old actually."

The play, ERASMUS WITH FRECKLES presented by the junior class, revolves around the troubles that descend on the Leaf family when freckle-faced Erasmus is discovered to be a human computer. The old, happy days in the Leaf home, an abandoned ferry boat permanently moored in San Francisco Bay, seem hopelessly gone. No longer can Professor Leaf (Tom Milligan) get his daughters, Pandy (Becky Johnson and Nancy Irwin) and Cissy (Mary Robinson and Marnee McLeran), up at dawn for calisthenics on the deck, followed by a poetry reading or a music recital. In the midst of it all, there's the further complication of a charming school psychologist (Nancy Frerichs) who wants to be certain Erasmus (Alan Reed and Larry Ackerman) is getting a fair deal, but who finally decides he would like to join the Leaf crew. But all comes out well for the family and the incredible Erasmus.

Leaf's FERRY-A-GO-GO attracts a wild crowd.

Mr. O'Connor (Denny Bast) reads one of his sick cards: "Heard you got married. Well, we all make mistakes."

"I'm Lady Godiva!"

Dixie Green, Sandy Baumgart, and Becky Gottner all ask for the use of the human computer.

"Discotheques are IN!"

PILLOW TALK STAGED BY SENIOR CLASS

How would you feel if your party line tied up the phone singing love songs to different girls and at all hours? You'd be mad, right? Mad is what interior decorator Jan Morrow (Janet Helmsing) was. What would you do if you realized your, party line partner was beautiful, but she couldn't stand the sound of you? You'd pretend you were someone else, right? That's why Brad Allen (Mark Oppedal), the songwriter, pretends to be Rex Stetson, the cowboy.

The fun begins as Jan and Brad, or is it Rex, fall in love. Just one more question--what do you do when you find out Rex is really Brad, and he wants you to redecorate his apartment? You take out your anger and hurt by turning the apartment into a grotesque showcase, right? Jan went right to work with the help of her multi-millionaire friend, Jonathon Forbes (Dean Hatch). Jan's maid, Alma (JoAnn Kehm), is against the fight between Brad and Jan; and she tries her best to help Brad work things out. However, when Brad sees his apartment, he takes over for himself by carrying Jan to his abode where he proposes and she gladly accepts.

When Jan refuses to obey, Brad takes matters into his own hands.

Ah, flowers from Jonathon to Jan and a cold shoulder from Jan to Brad.

Don't say anything, but somebody's mad!

Be careful, Jonathon.
That chair bites!

Carolyn entertains the nightclub patrons, John Connelly, Cassie Bailey, and Carol Proctor.

Let's see--potted flowers, moosehead, faded morgue scarf, old bar stool--everything's here.

The soft glow of candlelight reflects the glow of romance.

Rich and his date take the final steps--

Each spring speech contests roll around and each year the drama class goes into a panic as individuals and groups prepare to participate. There are twelve different categories ranging from play reading to oratorical declamation. The play reading is a cutting from the junior class play, whereas all other numbers are selected or written by the contestants.

Although most contestants are selected from the drama class, all those who are interested are invited to participate. If need be, a local contest is held. These winners go to District competition. If they receive a "I" at District, they advance to the State Speech Contest.

Perfect wrestling record...basketball conference champs...defeat of Southeast Polk football team...Activities and experience in sports are ones that shall never be forgotten. CHEERLEADERS SPARK SCHOOL SPIRIT

CHEERLEADERS LEAD SUPPORT FOR TEAMS

Swirls of blue and white...an honorary tea ...defeating Southeast Polk...corsages from the boys...Cheerleading meant all these things and more to six girls. These students were chosen last year to cheer the football and basketball players on to victory. Their jobs did not end there, for they also made signs and planned many rousing pep assemblies.

This year will be one we will always remember. We have loved representing you and would like to extend our thanks for this opportunity.

CHEERLEADERS SUPPORT GRAPPLERS

Quad...perfect season...cheerleading clinic...The wrestling cheerleaders devotion to their team was only heightened by the teams perfect season records. They began the cheering season by holding a wrestling cheerleaders clinic. Besides their usual duties, these four girls acted as hostesses at the U.H.S. Quadrangular and District Wrestling Tournament.

We thank you for your support.

U.H.S. REPEATS AS CHAMPS

Coach Denny Frerichs, in his first year as varsity baseball coach, sent the U.H.S. baseball squad to a 14 won and 2 lost regular season record. Conference victories were posted over Ankeny, Saydel, S.E. Polk, Johnston, North Polk, and Carlisle. Non-conference foes Adel and Pleasantville were also defeated. The only team to defeat the Jays was the Eagles of Saydel. Their squad beat the Jays in one conference game and in the first round sectional match. Gary Hintz and Mark Oppedal were top hurlers. They received strong help from Jim Beasley and Dave Duffy. Other top players included Tom Hansen, Tippy Chase, Craig Lamb, and Chuck Rizzuti.

JAYS COMPILE 5-3 RECORD

The Bluejays posted a fine 5-3 record in the 1966 football season. A 3-3 conference record placed the Jays fifth in our last year in the suburban conference. The Jays' offense, averaging 3 touchdowns per game, was led by backs Tom Hansen, Steve Winfrey, John Rizzuti, Gary Hintz, Garry Graham, and Danny Christensen. Ends Mike Connelly, Jim Beasley, and Dave Halverson provided good targets for Hansen's accurate passing. Ron Naeve, Glenn Richardson, Rich Custer, Eric Blockhus, Mike Lucas, and Steve Riley cleared the way for the U.H.S. runners.

Highlights of the year included inflicting the first conference loss on S.E. Polk. Congratulations go to Tom Hansen and Jim Beasley, who received All-State Honorable Mention. Picked for the All-Conference first team were Tom Hansen, quarterback; Jim Beasley, end; Rich Custer, linebacker.

Entering the district, the Jays were downed by a tough North team, which went to state. The boys ended the season with a fine 11-5 over-all record.

Mike Connelly was top scorer and rebounder. He averaged 19.8 points per game followed by John Pattee with 10 points per game. Other top players included Tom Hansen, Ron Naeve, John Pattee, Bob Culver, Dan Christensen, and Tim Lyons. A high scoring offense averaged 69.9 points per game, while a stingy defense yielded only 61.2 points per game.

Jenny Richardson out-reaches her opponent for the ball.

A sophomore-dominated girls' basketball team ended the season with a 2-13 record. The girls had a rough year, as the conference was especially rugged. In the sectionals the Jays lost a heartbreaker to Johnston 52-50.

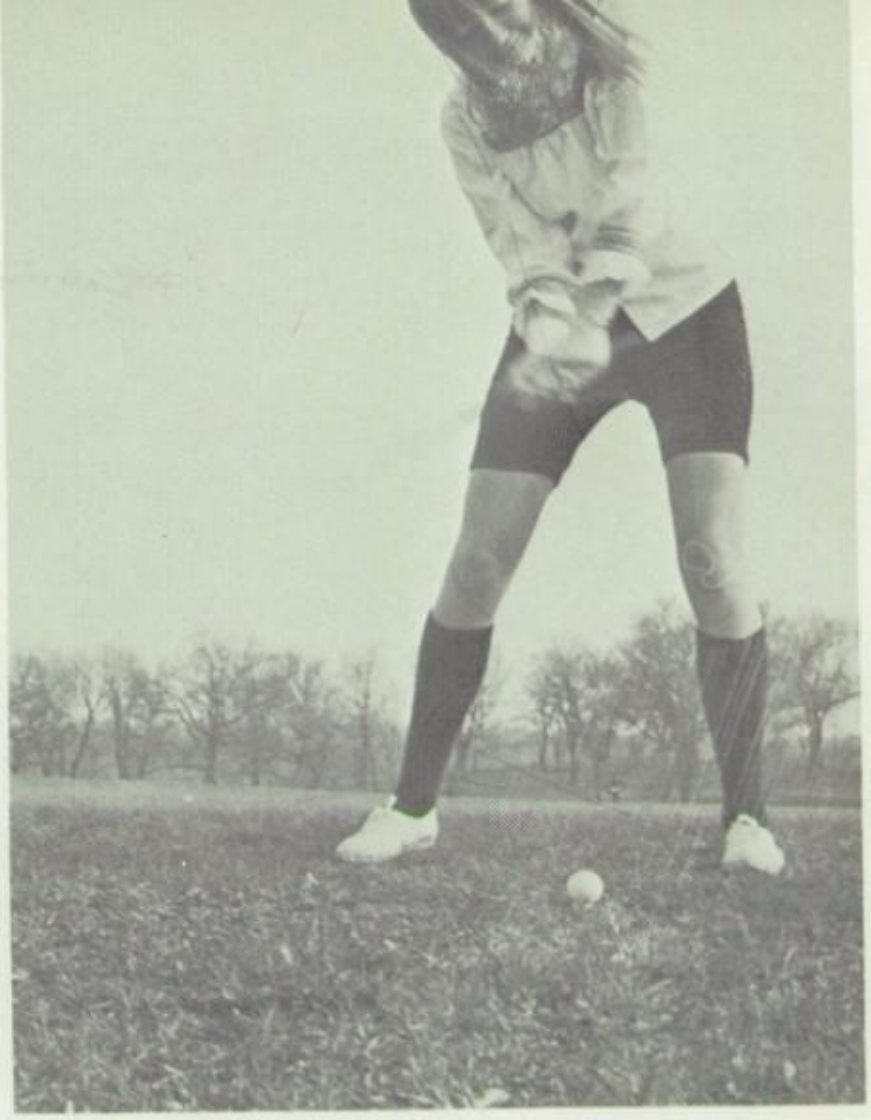
GIRLS CARD FAIR SEASON

DeAnn Jones has a chip shot up a steep hill.

The U.H.S. girls' golf squad ended a fair season with three wins. The girls also finished in fourth place at the Conference and District golf meets. The team showed much improvement. The average team total was twenty strokes lower than last year's average. A good season lives ahead as the entire squad returns.

Ruth Rogers takes a good swing.

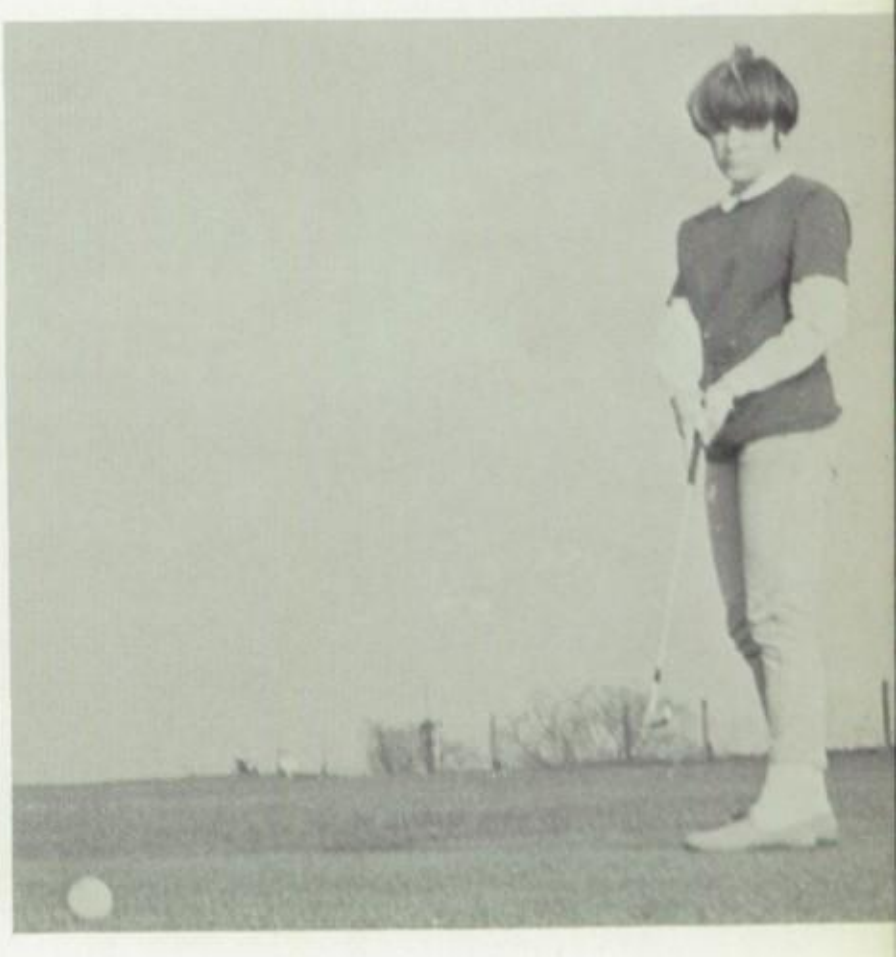
Cris Carey carefully lines up a short putt.



Ellen McDonald takes a mighty cut.

The lowest total scorer, Lynda McCutcheon takes aim for a long one.

Putter in hand, Kathy Cole nudges one for the cup.



Denny Bornman warms up for a tough race.

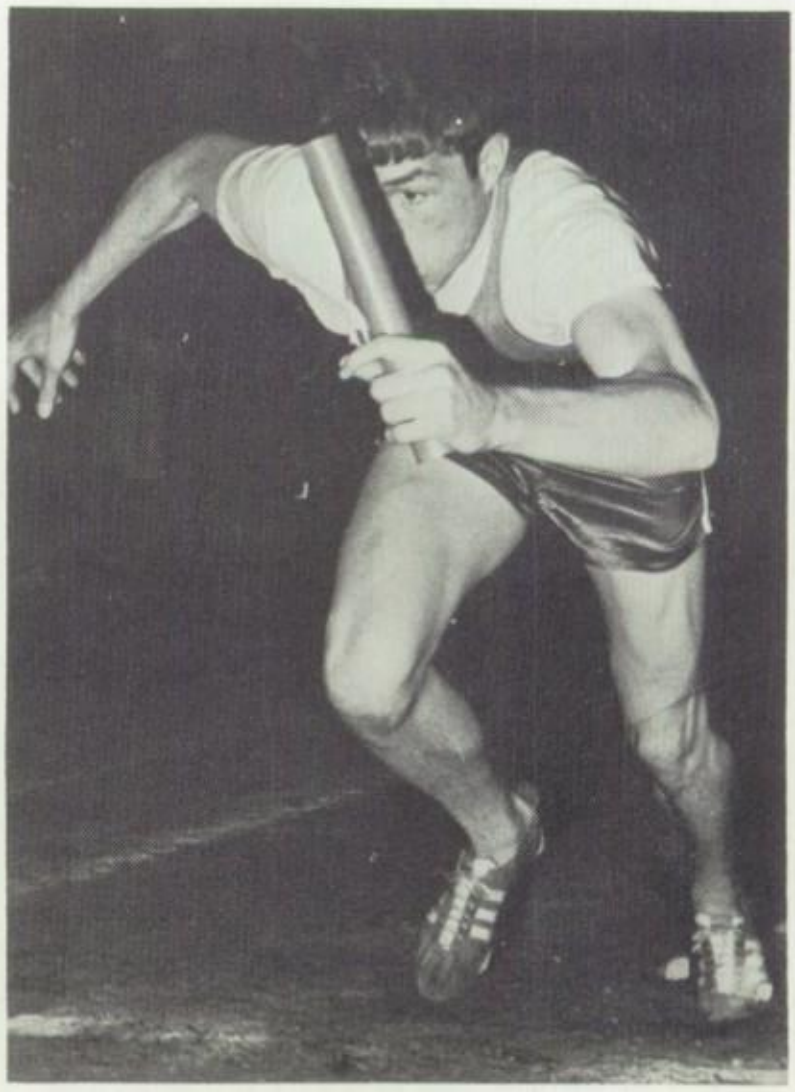
Top pointman on the squad, fleet Tom Milligan "steps" a hurdle.

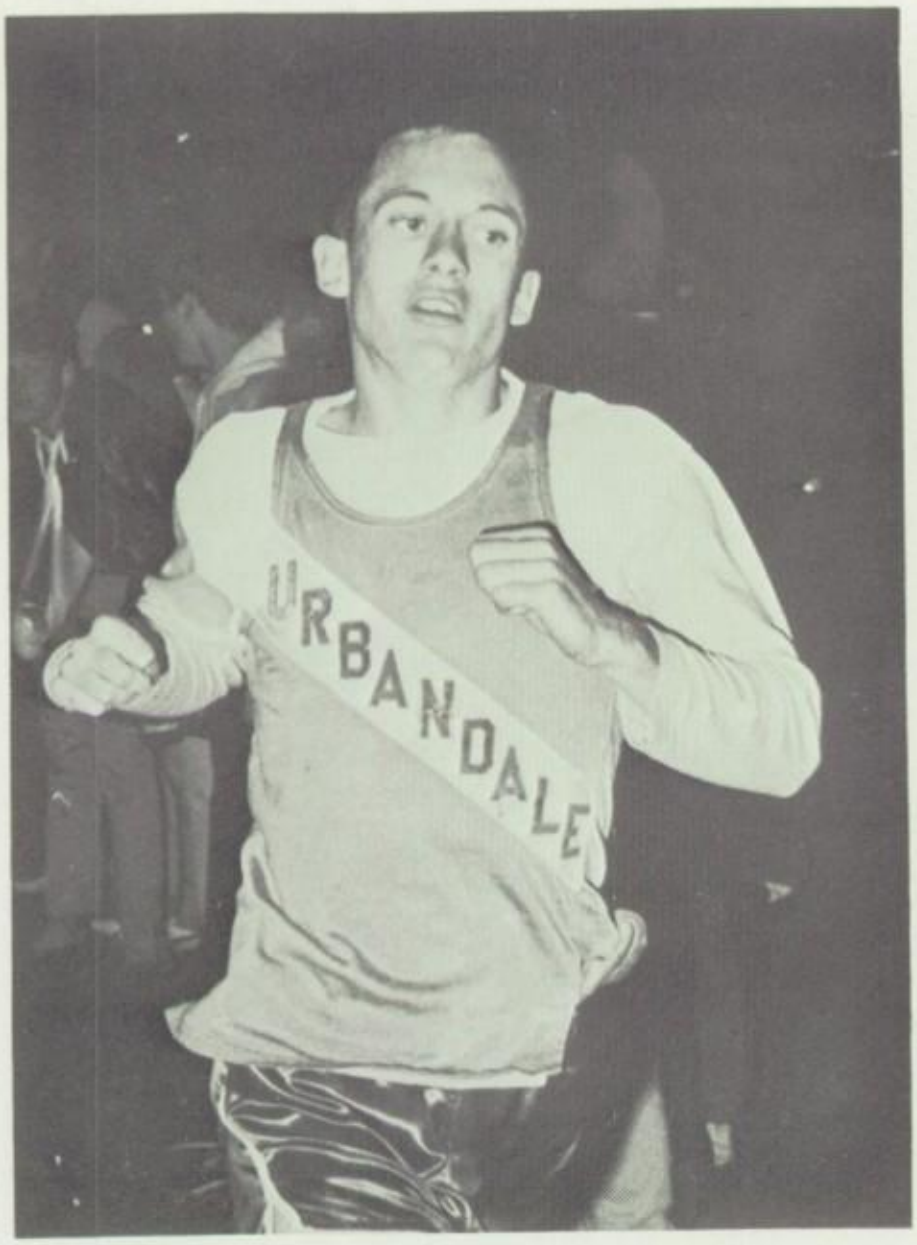
U.H.S. TRACKMEN HAVE A SUCCESSFUL SEASON

The Bluejay trackmen had a very successful spring season. The boys finished no worse than fourth place in six of the eight meets they entered. They captured third place at the Conference track meet.

The fellows put in a real team effort. Major meets they competed in included Oskaloosa, Chariton, Pella, and the Conference. Top performances were turned in by Tom Milligan, hurdles; Ray Davis, pole vault and hurdles; Dave Meshik, mile; Frank Miller, half-mile; and Glenn Richardson, shot put. A fine team will return next year because the team was junior-sophomore dominated.

John Rizzuti starts the first leg of a new event, the shuttle hurdle relay.





A top-flight half-miler throughout the season, Frank Miller strides for position.

With a fearsome expression on his face, Scott Stanfill steams past his opponents.

GIRLS' TRACK TEAM TAKES FOURTH AT SECTIONAL

Even though the girls track team consisted mainly of sophomore girls, the team, coached by Bob Brown, had a successful season. The girls placed fourth in the Suburban Conference and Sectional track meets. Both the 440 relay and mile relay teams placed fourth at the district track meet. Laurie Stites also placed fourth at district in the long jump.

Outstanding performers included Kathleen McLeran, Betsy Worden, Susan Maffett, Cindy Nicodemus, and Bev Davis in relay events. Laurie Stites was outstanding in the long jump, Jane Wishart in distance running, and Teri Wickham in hurdle events.

ORGANIZATIONS

Elections and campaigns...installations and a tea...concerts in the Spring...School involves many things that need to be arranged, instituted, and established. These things involve many students. The organizations of U.H.S. are the students. In this annual are the pictures and words of the student's organizations and what they accomplished.

The Student Council sponsors the spring dance.

An assembly on space seems to intrigue our heroine, Kathy Johnson.

STUDENT COUNCIL HAS MANY PROJECTS

Long meetings...decorating for the spring dance ...many, many decisions...The Student Council keeps students busy with many varied and interesting assemblies and activities. Along with these activities, go decisions and responsibilities. This is just a part of Student Council.

Who provides ice cream for all the hungry U.H.S.ers? The Student Council, of course!

Would you believe the Student Council netted $166 from this game?

We were very privileged to have Rep. Jack Miller as a guest speaker.

HONOR ORGANIZATION RECOGNIZES SCHOLASTIC ACHIEVEMENT

A three and three-tenths point average in leadership, service, character, and scholarship is required of a student before he can be initiated into this national organization. The points are given by teachers according to their relationship with the student. This year's officers were Dean Hatch, president; and Jeanne Cline, secretary-treasurer.

Two seniors became members of the National Honor Society. They were Kathy McDonald and Janet Helmsing.

The enthusiasm of American sports attracted Riitta to participate.

RIITTA VISITS URBANDALE

Foreign beauty and personality came to U.H.S. in the form of Riitta Laapas. Riitta came from Finland to stay for a year at the home of the Lyle Kehms. Given a short time to get acquainted, Riitta soon got into the swing of things. Besides the usual school activities, Riitta was often called upon to speak before community organizations. Riitta left for home leaving many memories to those at U.H.S.

The play was one of the many activities in which Riitta participated.

They were Riitta Laapas from Finland, Claudio Uberti from Argentina, and Jose Saettone from Chile. Ably led by Jeanne Cline, this organization entertained the visitors throughout the year making them feel welcome.

U.H.S. MARCHING BAND STEPS IN TIME TO QUALITY

Tulips and more tulips...new spats...rousing bus trips...The marching band of U.H.S. should be highly commended for a continuous record of excellent performances. Although small in number, they were always mighty in sound. The U.H.S. marching band performed in such programs as Homecoming, Veisha, Drake Relays, and the Pella Tulip Festival. JoAnn Kehm, drum majorette for the second year, did a fine job.

These activities were organized by Cassie Bailey, president; Debbie Jacobs, vice-president; Nancy Irwin, secretary-treasurer; and Pat Nelson, delegate-at-large. All in all, 1966-67 proved to be a successful year for the Pep Club.

Peterson, high school principal, has done a great deal to plan the next educational system, he will not be here to see it carried out. Mr. Peterson resigned at the end of the 1966-67 school year. For merit and service he was awarded a plaque by the Student Council and the Urbandale School Board.

FACULTY GUIDES OUR DESTINES INTO

1966-67 was the last year for many a teacher at U.H.S. Mrs. Redman, who has taught for 20 years, retires with an unbeatable record for unbeatable school plays. Change in vocation, change in residence, and other reasons are taking many teachers from U.H.S. Those leaving create a large void in the teaching staff--a void that will be hard to fill.

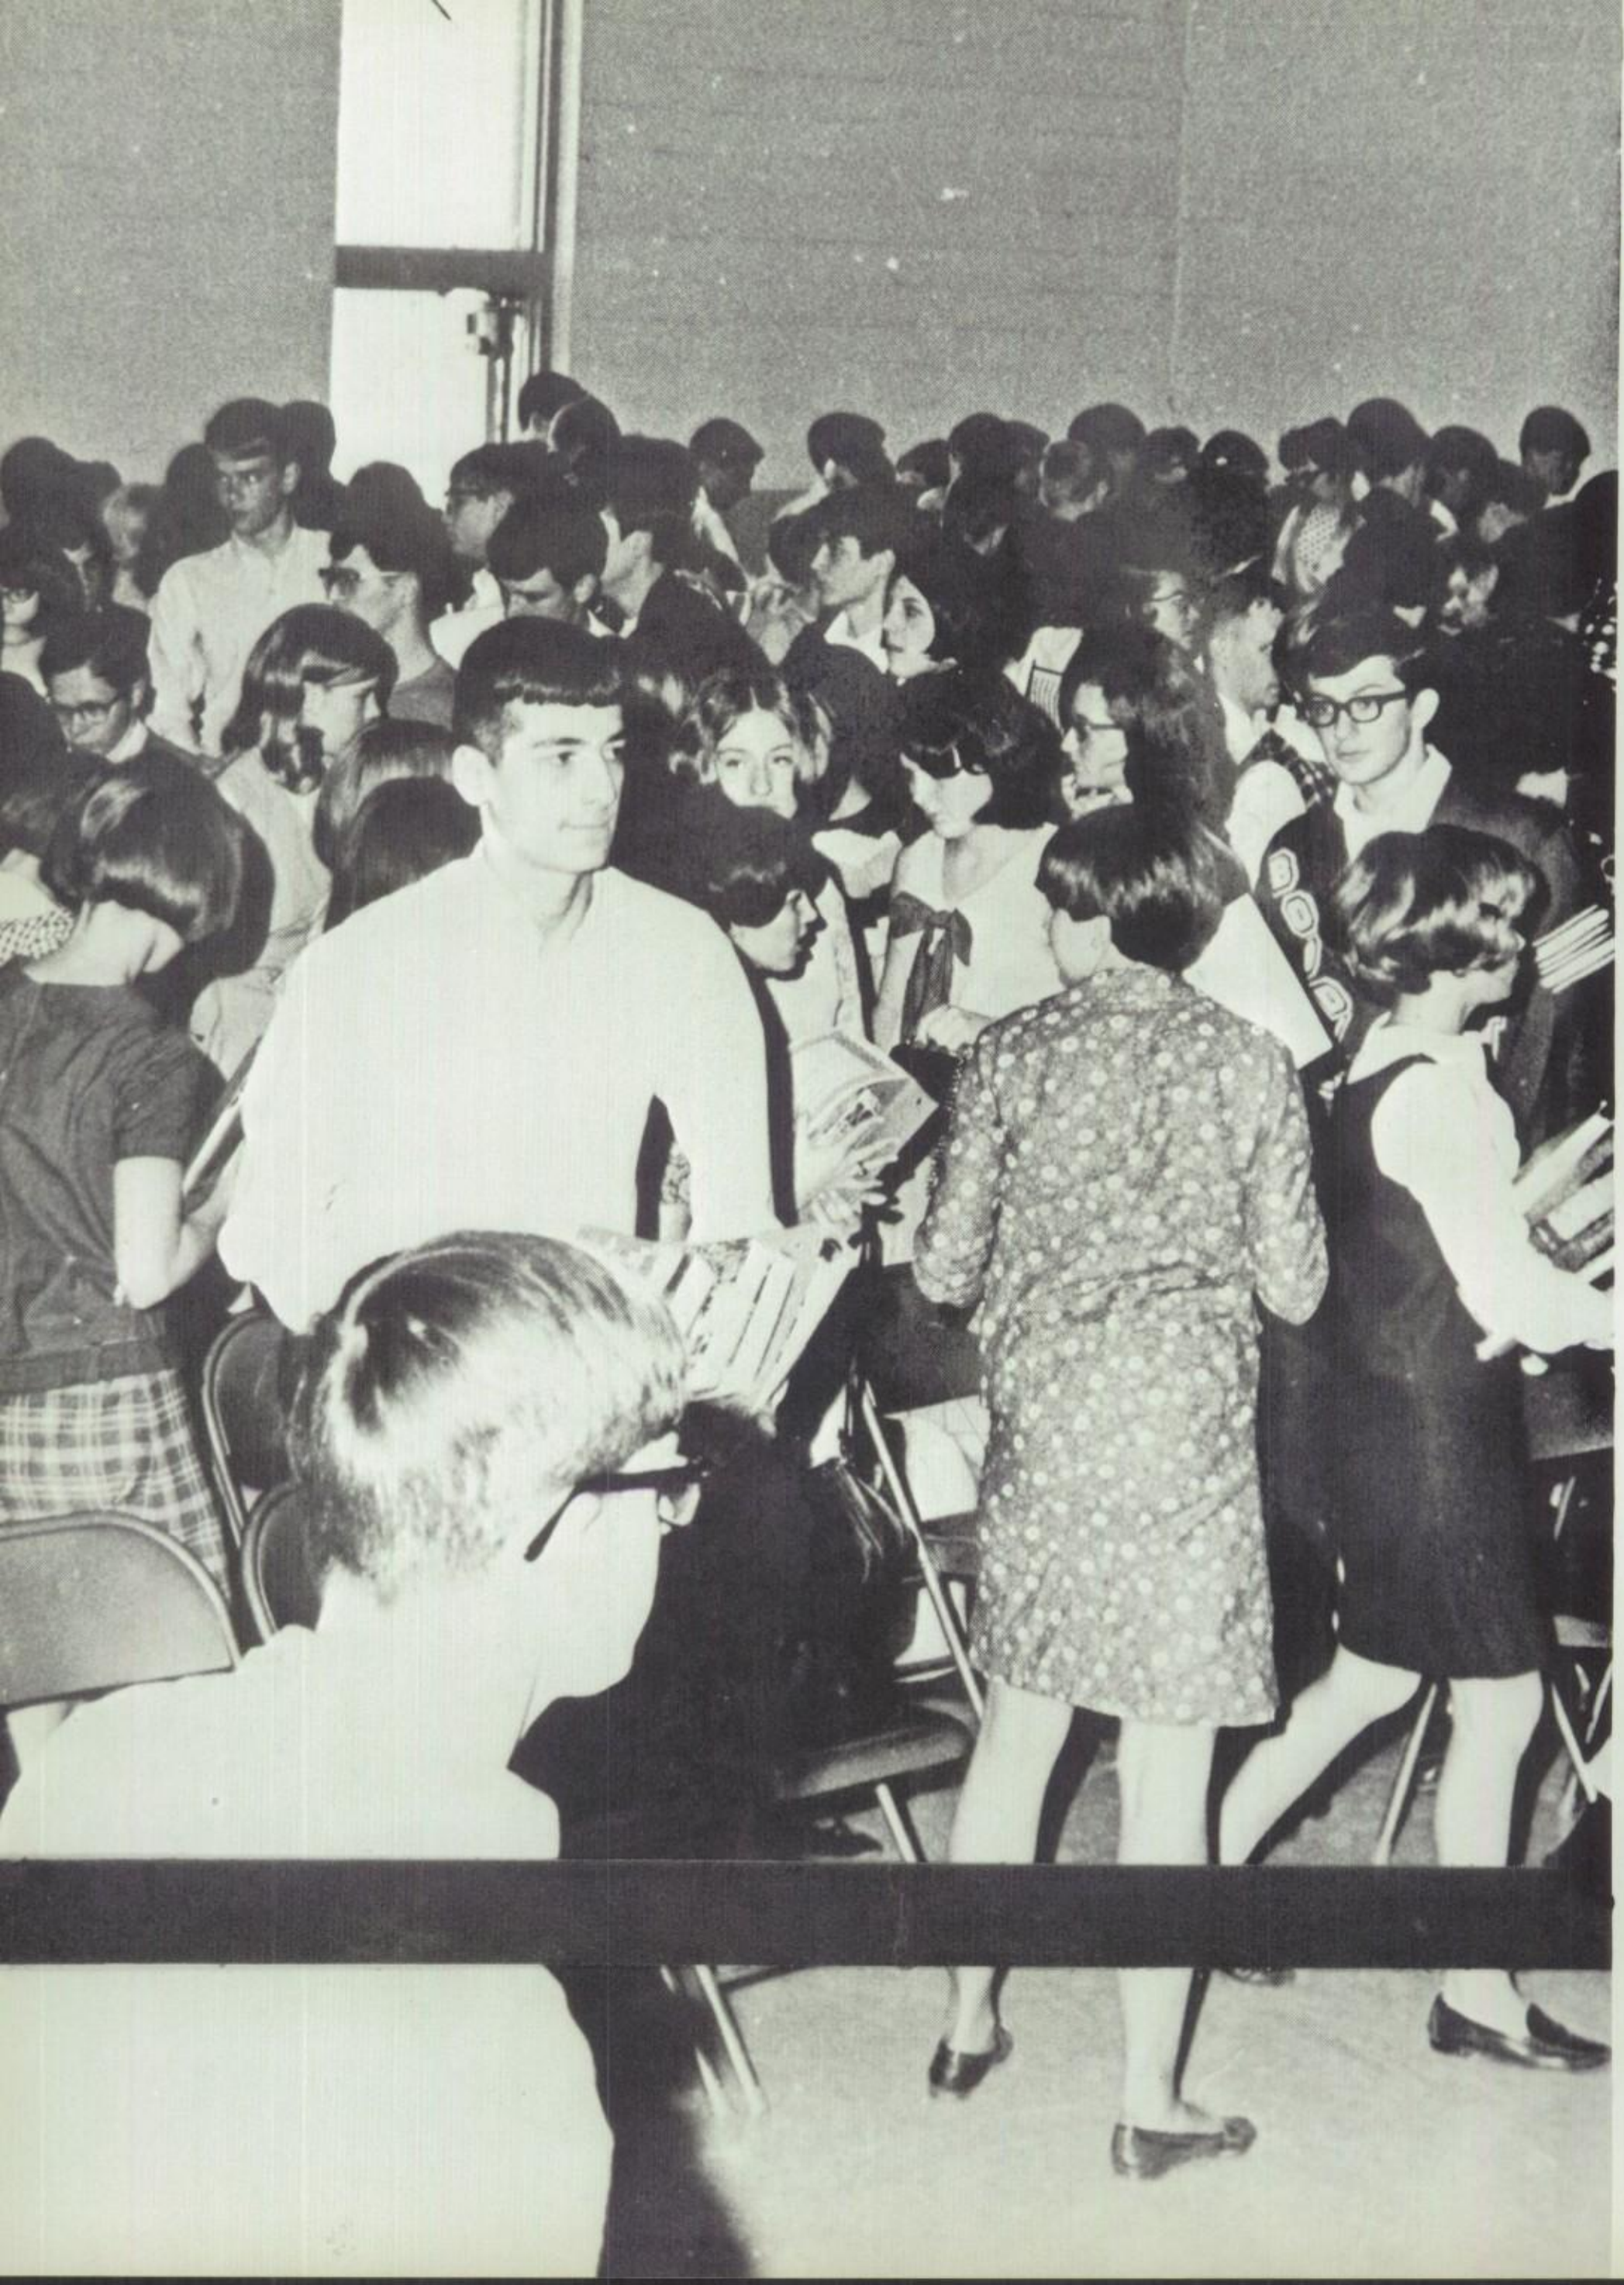
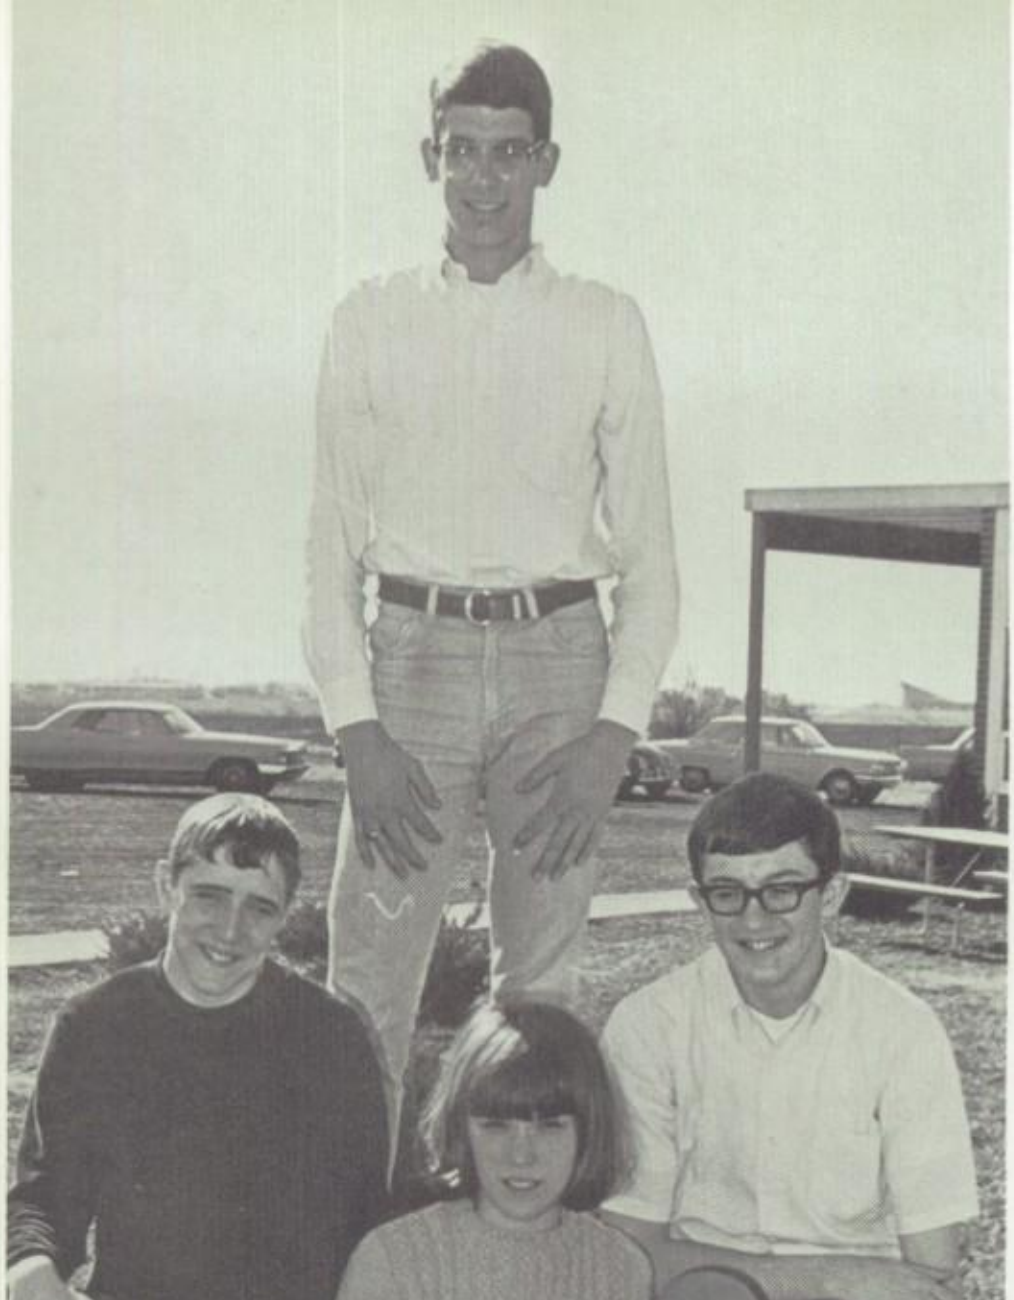
CENSORED



UNDERCLASSMEN

Taking the senior's table...low man on the totem pole...waiting in line...Whether it be the first year in high school or the second, the title of underclassmen is assigned to both. It is the underclassmen who form the backbone of organizations and activities. Here for all classmen is a record of the "backbone."



JUNIORS EXCEL IN MANY ACTIVITIES

Erasmus ... dancing in "Heaven" ... a winning float ....Juniors discover their year is a busy one. In the fall they produce a play. A prom is organized and sponsored by the junior class in the spring. Juniors participate in graduation ceremonies by ushering at Baccalaureate and Commencement. One of the major accomplishments of this year's junior class was their production of a winning Homecoming float. The junior class managed to edge out the seniors and win first place.

SOPHOMORES SPONSOR CITIZENSHIP COMMITTEE

Collecting pop bottle caps...being the youngest...decorating the football field...citizenship committee...The first year in high school means new responsibilities and activities for the sophomore class. Responsibilities include decorating the football field at Homecoming and electing student council representatives. This year's sophomore class took an active part in such activities as the citizenship committee and competing for the spirit jug by collecting the largest number of bottle caps for a donation to the Children's Zoo.

Getting their first taste of responsibility are sophomore officers Kim Vandermuelen, Vice-President; Cris Carey, President; Suzi Seemann, Secretary-Treasurer.

YOUNKERS

"Satisfaction Always"

Each year Younkers offers a program for young people from the Des Moines area high schools... TEEN BOARD for junior and senior girls, and ADVISORY BOARD for junior and senior boys. The young people selected to represent their respective schools are chosen for leadership qualities, high scholastic standing, personal recommendations from school administrators and evaluation from members of the retiring boards, plus their interest and ability in retail and fashion. They participate in special fashion shows during the year, give talks in their schools and to other groups on good grooming, publish a monthly newsletter and work in various junior departments each Saturday. Younkers salutes the representatives from Urbandale High School for a job very well done.

LEFT TO RIGHT: Mike Connelly, Kathy Cole, Mark Oppedal, and Patti Briggs.
